

DECLARATION -- PATENT APPLICATION

AS A BELOW NAMED INVENTOR, I hereby declare that: My residence, post office address and citizenship are as stated below next to my name. I believe the below named inventor, am the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled "Power Systems", in the application of the same title filed 09/15/2003, Ser. No. 10/662,988. I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims. I acknowledge the duty to disclose to the Patent and Trademark Office all information known to me to be material to patentability of the subject matter claimed in this application, as "materiality" is defined in Title 37, Code of Federal Regulations, § 1.56.

I hereby claim the benefit under Title 35 United States Code § 120 of the following U.S. Applications: Ser. No. 10/268,005 filed 10/09/2002 and Ser. No. 09/797,392 filed 03/01/2001 which both in their entirety for all purposes are incorporated into this application - and, insofar as any subject matter of any claim of this application is not disclosed in this prior United States Application and Patent, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations §1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application.

I HEREBY DIRECT that all correspondence and telephone calls be addressed to Guy McClung, PMB 347, 16690 Champion Forest Drive, Spring, Texas 77379-7023, Phone (281) 893 5244, Fax (281) 893 2163.

I HEREBY DECLARE that all statements made of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
